

## DSI UNDERGROUND Quality Policy

- Our goal is to be the recognized market leader in mining and tunneling products and services. The DSI Underground family of businesses is committed to:
  - Understanding our customers' needs in order to enhance customer satisfaction by consistently exceeding their expectations.
  - Being the industry leader in innovation, quality and safety-consciousness.
  - Continually improving the quality of our processes, products, services, and the skills of our employees.

Gavin Fairburn

CEO – DSI Underground Canada

A handwritten signature in black ink, appearing to read "Gavin Fairburn", is written over a solid black horizontal line.
